TRY KARATE!

Karate, the fast moving, hard hitting, high kicking, action sport that is fast becoming a necessity. Karate is the sport where enthusiasts show they could have disabled their opponent with crippling chops, kicks, punches, rips and gouges and yet they never touch their opponent with their murderous tactics. They test their devastating power and conditioned body weapons on dummies, boards and bricks, instead of on each other.

Parents! Karate training also consists of rigorous conditioning, self-discipline, fortitude and develops tremendous self-confidence.

The Nations Best Karate is Taught at Bushidokan

For the last two years Bushidokan students have won the United States Karate Associations National and Grand National Championships. In the 1968 U.S.K.A. Nationals, Bushidokan scored 118 points out of a possible 166 and won 1st place in 7 out of 8 divisions in junior, senior and womens competition.

Head Instructor—Jim Harrison, Twice All American Grand Champion. Other Instructors (All Originally Bushidokan Students):
