ROBERT CULP

Star of The "I Spy" TV Series, Congratulates A Bushidokan Karate Student, The "National Green Belt Karate Champion," At The National Karate Championships in Washington, D. C. May 7, 1966.

Bushidokan has sent representatives to the following four Karate Tournaments this year.

Cincinnati—All American—International
Chicago—Mid American
Oklahoma City—All American Open
Washington, D. C.—1966 National Karate Championships

Bushidokan students and instructors have won the following places and trophies at these same four karate championships.

3rd place, white belt—(A-A-O)
2nd place, green belt—(M-A)
1st place, green belt—(M-A)
1st place, green belt—(A-A-I)
1st place, green belt—(N-K-C)
2nd place, black belt—(M-A)
2nd place, black belt—(A-A-I)
1st place, black belt—(A-A-I)
Instructor Trophy—(A-A-I)

The above tournament record will attest not only to the ability of Bushidokan's students, but also to the teaching ability of our instructors. It also shows the instructors interest in testing their ability, as instructors, by encouraging their students to compete in these Major National Tournaments. In addition the instructors themselves are active National Ranked Competitors. This helps to inspire the students and shows them their instructors are leaders and doers.

You can find cheaper Judo-Karate instruction in the Kansas City Area, but you cannot find better, more complete instruction, or more conscientious, qualified instructors anywhere, than at Bushidokan.
