BUSHIDOKAN SWEEPS

BI-STATE JUDO TOURNAMENT

Three Bushidokan Judo-ka (judo players) captured three of the five divisions at the recent 1965 Missouri Valley Judo Championships. The three Bushidokan entrants placed 1st and 3rd in the 165-pound division and 1st in the 180-pound class, and they also won the Overall Grand Champion and Overall Runnerup titles.

The Championship elimination bouts were scheduled with a five minute time limit, however the 165-pound champion from Bushidokan defeated all of his opponents, including the 1964 Grand Champion in less than twenty seconds each.

In the playoffs for the Grand Championships our 180-pound Champion threw the 245 pound heavyweight champion in less than two minutes, while our 165-pound champ tossed the lightweight 150-pound champion with a "hidari uchi mata" (left side, inner thigh trick) in about five seconds.

The two Bushidokan Champions then fought each other through an eight minute overtime match to a decision in favor of the 180-pound champ, making him the Grand Champion, and making our 165-pound champion the Overall Runner-up.
